Marinex

The Marinex line of glass bakeware reaches not only the most demanding markets worldwide but also the most modern customers.

All Marinex products are certified by BSI (British Standards Institution).

ISO 9001
BUREAU VERITAS
Certification

LARGER THERMAL RESISTANCE - this tempered glass is more resistant. These products have superior durability, being able to resist external temperatures and thermal shocks up 365°F (180°C)

LARGER IMPACT RESISTANCE - this tempered glass is safer. It receives a thermal treatment that guarantees resistance to mechanical shocks twice or three times higher than common glass.

BISPHENOL A (BPA) FREE - Nadir Figueiredo does not use plastic that contains Bisphenol A (BPA), a component present in some plastics that can be toxic.

5 YEAR GUARANTEE - A five year guarantee against manufacturing defects, including legal guarantee from the date of purchase.

100% HYGIENIC - The products that have smooth surfaces do not retain odours and are stain resistant.
